

HRF 2012-2013 CAMPAIGN: THE HOMAIRA SCHOOL IN KABUL

"Alleviating a Child's Struggle Today for a Hopeful Tomorrow"

HRF URGENTLY NEEDS your help! In 2011, a generous benefactor and philanthropist donated an entire section of a school he is constructing in Kabul, Afghanistan to HRF. While this school will offer essential educational opportunities for Kabul's children, the donated space will provide exclusive focus to the educational and developmental needs of orphans. This area will be used to establish The Homaira School, serving grades 1-6. For this effort, HRF will collaborate closely with the Orphans and Widows Association (OWA), a trusted and experienced US-based nonprofit partner, to establish and jointly operate the school.

Education Will Provide a Solid Foundation for Future Generations.

This desperately needed school upholds the core HRF mission - fulfilling the urgent need to preserve and protect a child's right to unimpeded development with an emphasis on education.
